

**Empresa:** Univesp 02

**Início da Apuração:** 10/04/2022

**Fim da apuração:** 03/05/2022

## PC\_10

Quantidade de ocorrências 2

Quantidade de ocorrências 5

Quantidade de ocorrências 6

Quantidade de ocorrências 7

## PC\_09

Quantidade de ocorrências 3

Quantidade de ocorrências 4

Quantidade de ocorrências 3

Quantidade de ocorrências 3

Quantidade de ocorrências 2

Quantidade de ocorrências 1

Quantidade de ocorrências 1

Quantidade de ocorrências 1

## PC\_08

## Quantidade de ocorrências 11

"WMPNetworkSvc" (Serviço de Compartilhamento de Rede do Windows Media Player) is not running (startup type automatic delayed)

## Quantidade de ocorrências 1

"WinDefend" (Windows Defender) is not running (startup type automatic delayed)

## Quantidade de ocorrências 1

"wscsvc" (Central de Segurança) is not running (startup type automatic delayed)

## Quantidade de ocorrências 1

"wuauserv" (Windows Update) is not running (startup type automatic delayed)

## Quantidade de ocorrências 2

High CPU utilization (over {CPU.UTIL.CRIT}% for 5m)

## Quantidade de ocorrências 4

Host has been restarted (uptime < 10m)

## Quantidade de ocorrências 7

High memory utilization (>{MEMORY.UTIL.MAX}% for 5m)

## Quantidade de ocorrências 3

Zabbix agent is not available (for {AGENT.TIMEOUT})

## Quantidade de ocorrências 8

## PC\_06

The Memory Pages/sec is too high (over {MEM.PAGE\_SEC.CRIT.MAX} for 5m)

## Quantidade de ocorrências 1

0 C:: Disk read request responses are too high (read > {VFS.DEV.READ.AWAIT.WARN:"0 C::"}s for 15m)

## Quantidade de ocorrências 2

CPU privileged time is too high (over {CPU.PRIV.CRIT.MAX}% for 5m)

## Quantidade de ocorrências 2

CPU queue length is too high (over {CPU.QUEUE.CRIT.MAX} for 5m)

## Quantidade de ocorrências 3

"BITS" (Serviço de transferência inteligente de plano de fundo) is not running (startup type automatic delayed)

Quantidade de ocorrências 2

"TrustedInstaller" (Instalador de Módulos do Windows) is not running (startup type automatic)

Quantidade de ocorrências 11

"WMPNetworkSvc" (Serviço de Compartilhamento de Rede do Windows Media Player) is not running (startup type automatic delayed)

Quantidade de ocorrências 2

"WinDefend" (Windows Defender) is not running (startup type automatic delayed)

Quantidade de ocorrências 1

"wscsvc" (Central de Segurança) is not running (startup type automatic delayed)

Quantidade de ocorrências 3

"wuauclt" (Windows Update) is not running (startup type automatic delayed)

Quantidade de ocorrências 3

High CPU utilization (over {CPU.UTIL.CRIT}% for 5m)

Quantidade de ocorrências 3

Host has been restarted (uptime < 10m)

Quantidade de ocorrências 7

High memory utilization (>{MEMORY.UTIL.MAX}% for 5m)

Quantidade de ocorrências 1

Zabbix agent is not available (for {AGENT.TIMEOUT})

Quantidade de ocorrências 7

## PC\_07

The Memory Pages/sec is too high (over {MEM.PAGE\_SEC.CRIT.MAX} for 5m)

Quantidade de ocorrências 3

0 C:: Disk is overloaded (util > {VFS.DEV.UTIL.MAX.WARN}% for 15m)

Quantidade de ocorrências 2

0 C:: Disk read request responses are too high (read > {VFS.DEV.READ.AWAIT.WARN:"0 C::"}s for 15m)

0 C:: Disk write request responses are too high (write > {VFS.DEV.WRITE.AWAIT.WARN:"0 C::"}s for 15m)

CPU privileged time is too high (over {CPU.PRIV.CRIT.MAX}% for 5m)

CPU queue length is too high (over {CPU.QUEUE.CRIT.MAX} for 5m)

"BITS" (Serviço de transferência inteligente de plano de fundo) is not running (startup type automatic delayed)

"ShellHWDetection" (Deteccão do hardware do shell) is not running (startup type automatic)

"WMPNetworkSvc" (Serviço de Compartilhamento de Rede do Windows Media Player) is not running (startup type automatic delayed)

"WinDefend" (Windows Defender) is not running (startup type automatic delayed)

"wscsvc" (Central de Segurança) is not running (startup type automatic delayed)

"wuauserv" (Windows Update) is not running (startup type automatic delayed)

High CPU utilization (over {CPU\_UTIL\_CRIT}% for 5m)

System time is out of sync (diff with Zabbix server > {SYSTEM.FUZZYTIME.MAX}s)

Host has been restarted (uptime < 10m)
